I have read the description of a Middle School Ambassador and want to be one because.....			
The questions I have about Reality Tour and the Middle School Ambassador Program are:			
1.			
2.			
<p>Student: I realize that this program requires me to first attend the full Reality Tour Experience with my parent or caregiver on May 29<sup>th</sup>. I must arrive on time! I also realize that to become a MS Ambassador I have to complete the 3-day training workshop at the offices of the PACT Coalition in Las Vegas NV. If I complete this training and agree to be an Ambassador at my school next year, I will receive a \$100.00 training stipend. Please sign below to demonstrate your understanding of this agreement.</p>

**What Is Las Vegas Reality Tour?**

Community Partners For Better Health (a non-profit coalition comprised of healthcare professionals, providers and service agencies, concerned community citizens, and; faith organizations who are united in the common cause to eliminate ethnic and racial health disparities in Southern Nevada) and its program partner Education For Quality Living, became a licensed Reality Tour (LV-RT) site in Nevada 2020 and hosted a pilot and premier of LV-RT last year. It expanded its program to include a high school Peer Leader and Middle School Ambassador pilot in 2021. RT is a copyright and trademarked, volunteer driven, comprehensive, consequence driven, evidence-based substance misuse prevention EXPERIENCE designed to be experienced together by parent and youth ages 10-18. Together, parent and youth experience the life of a teen who makes a decision to use drugs. Audience members are drawn into the RT Experience from the very beginning and everyone walks away from the Experience having learned something. This program is funded by the PACT Coalition.
